FSU's STARS Alliance Students Visit Choctaw HS

The STARS Alliance students from Florida State University (several from Okaloosa County) and their sponsor, Ebe Randeree, visited Choctawhatchee High School's Leadership and Information Technology classes to answer questions students had about college. The students discussed topics such as, the different majors that are available, living on campus versus off campus, the biggest adjustments from high school to college, how to get involved, how to use your time wisely, and ended with a question and answer session. "It was a great opportunity for our students!" said Becky Perez, Choctawhatchee High School's Leadership Teacher.
