OCSD to Provide Immunizations to Incoming 7th Graders

Okaloosa County School District has partnered with Healthy Schools, LLC to provide the state required 7th grade immunization to all 6th grade students during the school day in their school the week of Monday, April 2 - Thursday, April 5, 2018. Florida law requires that upon entering 7th grade, all students receive the Tdap booster.

Parents will receive a consent form with a letter of explanation from their student's school. The consent form must be completed, signed and returned in order for their student to participate and receive this immunization at school. In August when school starts again, 7th grade students who do not have the required immunization will be excluded from classes until they have received and provide proof of receiving this immunization. All consent forms need to be returned to your child's school by Wednesday, March 28, 2018.
