Kenwood ES Students Raise Money for American Heart Association

Kenwood Elementary School students raised \$3,327.00 during the American Heart Association's Jump Rope for Heart event. Eleven students won the challenge of raising \$100 or more and pied the Physical Education teacher, Bethany Crossley, in the face.

"Thank you to all who donated and to Ms. Crossley and her PE team for coordinating this event," said Principal Joan Pickard.

Through Jump Rope For Heart kids learn jump rope skills, how their heart works and raise money to help kids with special hearts.
