Safety Bulletin

This is an Okaloosa County School District safety bulletin being sent to you on behalf of Superintendent Mary Beth Jackson.

Earlier this evening, there were reports of a post on Snapchat containing a potential threatening comment regarding attending school tomorrow. The Okaloosa County Sherriff's Office has thoroughly investigated this matter. They have notified us that the Snapchat post originated in South Florida and that Okaloosa County is not the subject of this post. We want to thank our law enforcement officers for the attention they give to the safety of our students. Student safety is our top priority.

Thank you and have a good evening.
