Rev 01/21

Hardship Appeal of Controlled Open Enrollment Denial

A hardship appeal of a Controlled Open Enrollment (COE) denial may be granted in cases in which the parent/guardian demonstrates profound hardship that significantly impacts the student's ability to succeed academically. Falsifying information will void the approval of a hardship appeal. The hardship appeal must be completed by the parent/guardian and submitted to the Principal of the requested school.

Student Name: _____ Requested Grade: _____ Student # _____
(if current OCSD student)

This appeal is requested to permit the student to attend _____
instead of _____ for school year _____.
