The average military family moves 9 times over a 20 year career. With each move, military children and families face many school-related challenges, which include:

- School Choice
- Transfer of Records
- Immunizations and Age Requirements
- Students in Special Programs
- Students with Special Education Needs
- Calendars and Schedules
- Graduation Requirements
- Sports and Extracurricular Activities
- Connectedness
- Partnerships with School Districts
- Senior Year Moves

School Liaisons are working together to provide support to students and families throughout the world. No matter where your military service takes you, we will be there to assist you in making a positive school transition.

Hurlburt Field School Liaison Program

Student Focused... Partnership Driven

Our Mission

Child & Youth Education Services (School Liaison) is committed to outreach, advocacy, and partnership initiatives that generate real-time solutions for military-connected students in grades Pre-Kindergarten through grade 12 as they face global educational challenges and transitions.

Our Goals

- Connect schools, families and communities to meet the unique needs of PreK-12 military connected students
- Cultivate communication pathways between families, schools, community stakeholders and the military
- Customize real-time solutions for military connected students facing transitional barriers and educational gaps
- Collaborate with community stakeholders to build a platform for enhanced educational opportunities and partnerships
- Comprehensive professional development for educators to understand the military lifestyle
- Construct a network of extensive resources for building resilient communities
- Create a system of support for military connected students experiencing parental deployment or separation
